Dates: February 7 – April 25
Skip Dates (no class): Mar 7, Mar 14

Did your child take our Fall 2018 program?
Sign up again; Spring 2019 will have all new lessons!

Mad Science programs spark imaginative learning when school is out! Let your students experience first-hand how much fun science can be with Mad Science.

All programs are packed with fascinating demonstrations and inquiry based learning that provides solid educational value. Our curriculum meets state and national science standards.

Each lesson includes an exclusive Mad Science take-home project to help reinforce the concepts for the week. Students also receive a card outlining each lesson's main ideas, so you can engage with your child's science learning when class is over.
