

# Mad Science for Shaw Preschool/Kindergarten

The World's Leading Extracurricular STEM Program Provider

**Grades:** Preschool and Kindergarten    **Day:** Wednesdays  
**Times:** 12:40 - 1:40 PM (Half-day preschool students) OR  
1:45 - 2:45 PM (Full-day preschool and kindergarten students)  
**Duration:** 12-week session    **Tuition:** \$168.00 per student  
**Dates:** January 30 - April 24

Join the Mad Science after-school STEM club! Weekly classes for our youngest scientists are full of sensory activities, guided exploration time. We focus on teaching simple vocabulary and building observational skills to give children the foundation they need to continue their exploration for years to come.

Each class comes with a take-home project to keep the learning going at home!

Sign up this semester for lessons like:

- ⊗ Harnessing Heat    ⊗ Magnetic Magic    ⊗ Watts Up  
and more!

**Register online at [nephoenix.madscience.org](http://nephoenix.madscience.org)**

Pay by credit/debit card or mail in a check
