Dance is the perfect way for children to connect to themselves and to others while learning discipline, practicing self-expression, and cultivating their social and emotional intelligence. As the leader of dance performance and instruction in the state, Ballet Arizona is proud to be able to offer high-quality introductory ballet classes at Shaw Montessori. If your child has ever wanted to try ballet, this is the class for them! We offer a fun, engaging curriculum that helps children explore dance and ballet while learning about themselves and working with others. This class is open to 3rd and 4th graders – no dance experience required! Classes will be held on Tuesdays from 3:40p-4:40p and tuition is \$130 per student. Space is limited to the first 20 students who sign up. **10 or more students must be registered by Friday, January 25th or the class will not run.**
